BARRISTERS/SOLICITORS

REAL ESTATE

In a legal community filled with competent real estate lawyers, why would you consider Robins Appleby & Taub LLP? Why do major corporations, such as the Bank of Montreal, Riocan REIT, and City of Toronto Economic Development Corporation, and small home builders such as Mason Homes, choose us?

We are their choice because:

- Our depth of experience is unrivalled
- We understand transactions from every party's perspective
- We are deal makers that overcome pitfalls and obstacles
- Our creative, flexible solutions close deals
- Our lean work groups provide for timely and effective communication
- They view us as their partners in business

They also benefit from:

- **Cross-practice support** - Together with our tax group and corporate/commercial group, we ensure that clients achieve the most effective ownership arrangements with the most tax-friendly structure. Our litigation group's expertise in real estate litigation is available if disputes arise.
- **Law clerk expertise** - Our highly trained real estate law clerks effectively process all types of commercial acquisitions and sales; process a variety of loan transactions; and handle condominium and new home sales and closings. This expert support provides clients with excellent, cost effective services.

Our unique blend of experience and talents allows us to provide the fast, efficient and sophisticated service expected by our clients. Most importantly, we never forget the bottom line – our clients expect to get the deal done, and it is up to us find a way to do it.
